**The Hotel Amic Horizonte, Palma de Mallorca**

We announce the Forth Standards Meeting and EuroForth Conference for 2014. The event will be held at a pleasant hotel in the city of Palma on the island of Mallorca. This venue was suggested at the conclusion of the 2013 Conference as it offered easy and economical travel from all main cities in Europe.

There is a limited choice of hotels in Palma with conference facilities.

The Amic Horizonte has been chosen as it has good value rooms and facilities, and is in a quiet area but within easy reach of the airport and the city sights. The hotel overlooks the Port and Bay of Palma.

The hotel has a nice swimming pool, and there are good beaches nearby, so bring swimming costumes. (Or, Nick and Janet can arrange a visit to a beautiful naturist beach!)

Not included in price:

- Meals not mentioned above.
- Wine and beer.

*Note that the hotel is approx. 2km from the centre of Palma, where there is a very wide variety of restaurants and nightclubs. Nick and Janet will make a suggestion each evening and can be your guide.*

- Additional excursions.

*Despite its "economy holiday" reputation, Mallorca is in fact a most interesting island, and Nick and Janet can make some arrangements if desired.*

- Airport shuttle

*The hotel can arrange collection from and delivery to the airport, for approximately €30 per trip, with up to 4 passengers. This is the most economical option, if you can arrange to share. Alternatively, a taxi costs approximately €17.*
